

Chiesi Inhaler Recycling Toolkit: Guide for a Counter-top Display Unit

This counter-top display unit example is from the 'Take AIR' recycling scheme and was visible to the public when entering the pharmacies involved in the scheme. It was also a place to store envelopes.

Example disclaimer and logo printed on counter-top display (*please note: this is an example only – this design, name and branding is not for local reuse*):

Physical form:

Dimensions: Units in cm
